INTRODUCTION: Youth Clubs Hampshire and Isle of Wight believes that young people deserve to have access to high quality, well run youth clubs, groups and projects that will provide a safe environment for them to spend their leisure time in.

Our training and development programme is designed for those already working with, or thinking of working with, young people in informal education settings.

Our fun, relaxed sessions offer workers a chance to explore the key concepts and ideas of youth work, develop further skills, knowledge and experience to help develop their work with young people and build relationships with other organisations doing similar work.
